

**Enroll today** in NTI, a **FREE web-based training pilot designed to improve stability and well-being for children and families**

NTI is designed to increase understanding of the complex mental health needs of children, youth and families moving toward or having achieved permanency through adoption and guardianship.

A central promotional graphic with a green background and white text. It features the 'nti' logo at the top. Below the logo, the text reads 'Don't Miss This Opportunity...' in a large, bold, blue font. Underneath, it says 'Free 25 hour web-based training to improve your clinical skills in treatment of adoptive & guardianship families.' in a smaller green font. A green arrow points from this text to 'Available March - September 2018' in a bold green font. Below that, it lists the states: 'California, Illinois, Maine, Minnesota, Oklahoma, South Carolina, Tennessee, Washington, and the Cherokee Nation'. A bulleted list follows: '25 FREE web-based CEUs awarded by University of Maryland School of Social Work.' and 'Start enrollment today: www.adoptionssupport.org/nti'. The URL is enclosed in a rounded rectangle. At the bottom of the graphic, it says 'Our children and families deserve better permanency outcomes.' On the left and right sides of the graphic, there are vertical orange text banners: 'You can make the difference!' and 'Become adoption competent!' respectively.
