The Dugan Society – A Lifetime of Giving

The Center for Adoption Support and Education was founded in 1998 through the extraordinary vision, compassion and financial support of Kathleen and Mike Dugan. Faithful supporters like the Dugans have ensured that C.A.S.E. can meet the needs of adoptive and foster families and the professionals who serve them. To celebrate our 20th Anniversary and to honor the Dugan’s legacy, C.A.S.E. established the Dugan Society in 2018 to recognize the achievement of those who have attained a lifetime giving to C.A.S.E. of \$50,000 or more.

Member Benefits

- Exclusive invitation to annual event with the Dugans and C.A.S.E. leadership
- Recognition on the C.A.S.E. website and in our annual report
- Your testimonial featured on the C.A.S.E. website and on social media

While you may always choose to remain anonymous, sharing your thoughtfulness may inspire others to achieve this level of giving. Your ongoing commitment is vital to C.A.S.E.’s mission.

“As parents of 8 children who we adopted, we know firsthand the trials and tribulations for children whose early lives were impacted by adverse experiences. It is so important that there is a place like C.A.S.E. where children and families can access specialized competent services. As the founders of C.A.S.E., we want to ensure it will be there for years to come for families like ours. We have committed funding to launch the endowment fund. Now we have the satisfaction of knowing more children, well into the future, will get the help they need and deserve. Thank you for supporting C.A.S.E.”
