The Center for Adoption Support and Education (C.A.S.E.) is leading the Northern Post Adoption Regional Consortium with our partners Lutheran Family Services, Children’s Home Society and NACAC to offer post adoption services and supports. All families who have finalized adoptions of children ages birth through 18 years and reside in Virginia are eligible for services at no cost. This includes families that have adopted domestically, internationally and through foster care.

• Our goal is to ensure that your family has the guidance and resources you need to grow and thrive, now and into the future. We celebrate the unique qualities of forming a family through adoption.

• Our work with you will focus on referring and linking you to needed services, providing educational resources on adoption-related topics, advocating for you and your family, and connecting you to other support systems in the adoption community.

• We believe that YOU know your family best; we’re here to support your needs and welcome you into the adoption community.

“It’s scary when you adopt and something happens after finalization. Adoptive families should know about post-adoption services”

– Virginia Adoptive Parent
One great thing that C.A.S.E. provided for us was a pat on the back, just letting us know, as parents, we were doing okay!” – Virginia Adoptive Parent

The Center for Adoption Support and Education (C.A.S.E.) is a mental health organization that specializes in serving the foster care and adoption community. Since 1998, C.A.S.E. has grown to become one of the nation’s foremost experts in adoption-competent support services. We are committed to ensuring adoption permanency and the well-being of families formed by adoption, kinship and foster care.

If your family is interested in post adoption support, you may submit a referral at www.adoptionsupport.org/NPAC. Referrals may be submitted by families or professionals.
