

# NTI Launches Adoption Competency Training in *Your State, Org, etc!*

**Tuition-free, web-based, state-of-the-art training!**

\_\_\_\_\_ and \_\_\_\_\_ are pleased to announce the statewide launch of the National Adoption Competency Mental Health Training Initiative (NTI). This new training offers two web-based state of the art, evidence- and trauma-informed trainings for mental health professionals to enhance their clinical skills with the goal of improving outcomes for children and families.

The NTI Training for Mental Health professionals is available in \_\_\_\_\_ 2021 and offers CEUs:

→ **30 hours for Mental Health Professionals**

## NTI Training Access:

**Coming Soon \_\_\_\_\_ 2021!**  
Or Link: \_\_\_\_\_

NTI was funded through a cooperative agreement (#90CO1121) between the Children's Bureau, and the Center for Adoption Support and Education (C.A.S.E.).

**NTI training helps you help children & families with:**

- ✓ Increased knowledge of the complexities of adoption, kinship and guardianship.
- ✓ Enhanced professional skills needed to promote stability and permanency for children and their families.
- ✓ Improved capacity to apply trauma-informed, attachment-based casework.

The bottom line results are designed for:

- ✓ Improved permanency outcomes for children and families!

nurture.  
inspire.  
empower.
