Webinar Completion Requirements

To successfully complete a live webinar, participants must:

- Attend the **entire duration** of the live session.

- **Actively participate** in any required activities, such as polls, Q&A, or group discussions (if applicable).

Complete any **post-session evaluation** or survey.

CE Certificate Issuance

- **Continuing Education (CE) Certificates** are issued **only to participants who meet all course completion requirements.**

- Certificates are available for download in the Learning Management System **within 3–5 business days** after the webinar concludes.

System Requirements to Attend Live Webinars

To ensure the best experience during our live webinars, please make sure your system meets the following minimum requirements:

- **Device**: Desktop or laptop computer (Windows or macOS) is recommended. Mobile devices and tablets are supported with limited features.

- **Internet Connection**: A stable high-speed internet connection

- **Browser**: Google Chrome, Mozilla Firefox, Microsoft Edge, or Safari.

- **Audio**: Speakers or headphones. A microphone is recommended for interactive sessions.

- **Software**: Install Zoom

- **Operating System**: Windows 10 or later / macOS 10.13 or later
