

# Advancing Practice for Permanency & Well-Being!

**National** Adoption Competency  
Mental Health **Training Initiative**

Approved by NASW and NBCC for CE credits

NTI is **FREE** web-based training that enables you to better address the mental health needs of children in foster, adoptive or guardianship families.

*Available nationally, NTI trainings provide:*

- Tools and free resources to enhance casework and clinical practice.
- Assessment and therapeutic strategies to address behavioral challenges.
- A shared language for **Child Welfare and Mental Health Professionals** to foster collaboration.
