

Learning Objectives:

1. Recognize the importance, the profoundness & the ramifications of defining one's identity, especially when one is an adopted person.
2. Demonstrate an understanding of the direct relationship between the process of reconnection through search & reunion and the development of self-identity.
3. Apply the tools, resources and knowledge that assist someone who has chosen to have reunion with their biological/first family.

Timed Agenda:

- 1:00-1:15 Introduction and History
1:15-1:35 How we define who we are: aspects & challenges of identity
1:35-1:55 Search & Reunion: Why we search, the process, guidelines, and the aftermath
1:55-2:05 Integration and healing: forgiveness and moving forward
2:05-2:30 Q&A
